

CPE Activity Evaluation

CDR credentialed practitioners may share information regarding the quality of this CPE activity or any CDR prior approved activity with CDR staff by submitting the [CDR CPEU Prior Approval Program Activity Complaint Form](#) on CDR's website.

Consider completing this evaluation to help the CPE Provider gauge learner satisfaction and activity effectiveness.

CPE Provider	Grain Foods Research Institute
Name of CPE activity completed	Behind the Grain: Refining Perspectives on the Public Health Role of Enriched and Fortified Grain Foods
Date completed	

Indicate 'yes' or 'no' for the following.

yes or no	Question
	Did the activity meet the stated learning objectives?
	Was the activity relevant to professional dietetics practice?
	Was the activity content valid?
	Was the activity free of commercialism and marketing?
	Did the activity present a balanced perspective?
	Overall, were you satisfied with the activity?

If you indicated 'no' for any of the above, please explain.
